Savages Primed For Opening of 1916 Western League Race

START TOMORROW

Eight Clubs All Ready for
Penn-Battle.

Several of the Topeka Players
Have Sore Arms.

Tomorrow afternoon at some time around 3 o'clock a man in a mask in each of the cities of St. Joseph, Lincoln, Denver and Des Moines will call out the old war words, "play ball," and the eight clubs of the Western league will be off on their 1916 pennant race.

As has been previously announced, the Topeka Savages will open in St. Joe, the Wichita Indians in Denver, the Sioux City Indians in Lincoln and the Omaha Indians in Des Moines. The Topeka team, accompanied by a number of loyal fans, will leave for St. Joe tomorrow morning over the Santa Fe at 7:15.

Lattimore confident.
The fact that Manager Lattimore's lineup for the first engagement has been upset by the absence of George Cochran does not seem to disturb the Savage leader to any great extent and he stated this morning that he was confident De Fato would be able to cover short as effectively as Cochran and that he did not expect the substitution to affect the strength of the team in the least.

Beginning today's workout the local players were warned to take every precaution against getting hurt. The weather has been so bad that many of the players are not in the best condition and Agler, Schweitzer, Goodwin and Kruger all have sore arms.

Not in Good Shape.
"I don't believe the men are in as good condition as they were a week ago," Lattimore said this morning. "The weather has been so bad that what work they have done has slowed them up, but I don't suppose the St. Joe players are any better off than we are."

The latest announcements from Drummerville are to the effect that the Missouri fans and fanatics are making elaborate preparations to turn out a record crowd for the opening contest. The probable lineup and batting order of all of the clubs for the opening game is as follows:

Topeka at St. Joe.
Agler, 1b; Goodwin, 2b; Schweitzer, rf; Hanson, lf; Kruger, c; Lattimore, 2b; De Fato, ss; Monroe, c; Grover, 3b; Faber, 1b; Lambeth, p.
Omaha at St. Joe.
Smith, lf; Krug, 2b; Fry, 3b; Miller, 1b; Schilleber, cf; Klindt, ss; Tierney, 2b; Kruger, c; North, 3b; Alsworth, p.

Sioux City at Lincoln.
Connell, 2b; McGraw, lf; Callahan, ss; Lohr, rf; Wagner, 3b; Meador, 1b; Morgan, ss; French, 2b; Donnelly, c; Clark, Kelly, p.

Wichita at Denver.
Tobin, lf; Fox, 2b; Jackson, 3b; Abstein, 1b; Britton, 2b; Hedding, 3b; Litch, ss; Gray or Rappa, c; Maloney or Kuehnor, p.
The State Journal tomorrow afternoon will carry special dispatches on all the opening games, and the Postscript edition will give the complete score of the Topeka-St. Joe contest.

MARBLE LEAGUE IS THE LATEST ORGANIZED SPORT

St. Louis, Mo., April 19.—"Skinny" bone tight, knuckles down and get back to long toes, greets one on the McKinley high school campus these days. What's on? Why, the "chiny" tournament of course. Several athletes have been permitted under the scholastic rules, when told to get out of the school timetable, have created as much interest as would a vacation notice in February. The "chiny" squad is at work every night after school and the stakes are high, the athletes sometimes playing "three-a-wop" or even "flint-a-wop."

NAME, PLEASE?

The above represents the name of one of the new Savage players who is expected to rob many of the teams that oppose him of victories this summer if he succeeds in staying with the team. So far he has not been given a chance to show many of his wares, but his stock is said to be plentiful. Tuesday's picture represented Joe Agler, first baseman extraordinary.

Sport Wheezes

—BY CLUG—

Now that he has a berth on the regular Savage squad, De Fato has been given a nickname. "Toney" is the new handle with which he has been presented.

Also, Pitcher John Voss has received a new title since coming to Topeka. Voss is now commonly known as Johnny Rebel.

Shortly after the christening of Voss, he and "Bugs" Grover were walking down the street together when the Bugs asked him if it was a fact that his grandfather set a sprinting record for Georgia when Sherman made his famous march through the peach state.

Voss took it all good naturedly and replied: "I don't know how fast he was, but I'll bet that if your granddaddy was with Sherman he's still got a wooden leg in his coffin as a memento of the memorable occasion."

For the last two days Owner John Savage has been spending his afternoons amping the practice games at Western League park. So much did satisfaction was expressed at his decisions on the first day that when he went behind the pitcher's box Tuesday afternoon he took a good sized rock with him for self protection.

Spencer Arthur Abbott, who umpired all the exhibition games here and who is an "old vet" of the game, says that he can't see anything but the top of the first division for Manager Lattimore's club.

Abbott says he never saw a team in Topeka that looked so good, and he says that the infield and outfield are not a bit better than the pitching staff. He believes that Sanders is one of the most promising of the youngsters if he gets a little life and ambition instilled into him and receives the proper handling.

Abbott knew Outfielder Hanson on the coast, and he predicts that the big fellow is headed for the big leagues. He says that Hanson can hit any kind of a ball a pitcher can serve up to him, and that he has the happy faculty of not placing all his hits in the same spot. When Abbott knew him Hanson was trying to make a pitcher out of himself.

It is now time for the annual publication of the league regarding the appointment of Walter Johnson. The first of the week the Boston Red Sox knocked him out of the box, getting five hits in a row.

Harry Champeny, the Washburn student who has just been elected football manager for next season, bids fair to become the most valuable man on the job in recent years. Champeny has already announced that he will install a press box on the field before the opening of the season.

Frank Isbell, manager of the 1915 Des Moines W. L. champions, announced that he has the best left handed pitcher in the league in Jim Grant, one of his new recruits. Grant may be the best in the league now, but just what "Animal" Dasher gets to going in his best stride.

Indications are that the Firemen's league will have to take the place of the City league in Topeka this summer. No one has been sufficiently interested in the City league to reorganize it and those who had charge of its affairs last season claim that they got enough experience to last them a lifetime.

The Firemen's league, it is understood, will use the Western league park when the Savages are out of town. Arrangements have been made so that members of the different teams can get off to play their games without trouble. The night and day forces will substitute for each other and the games will in no way detract from the efficiency of the service.

Local fans who want to make the trip to St. Joe for the opening of the W. L. season tomorrow can leave here at 7:15 over the Santa Fe and get back tomorrow night in time to go to bed at the usual hour.

The State Journal has installed a special baseball telephone, No. 284. So please call that number when you want the score.

Alexander Administers First
Defeat to Boston Braves.

Washington Americans Trim
the Red Sox Champs.

The Philadelphia National league club stepped to the head of the procession Tuesday afternoon by defeating the Boston Braves 4 to 0. It was the first defeat of the season for the Braves and was accomplished by the effective pitching of Grover Cleveland Alexander, who kept the hits of the Stallions men well scattered. Cincinnati turned the tables on Pittsburgh, winning by the count of 4 to 3. No other games were played in the National league.

In the Ban B. Johnson loop a rather remarkable victory was scored by the Washington club. The team defeated Boston by the score of 4 to 2, and it was the first time the Red Sox have lost a battle to the Washingtonians since 1914. Detroit put it on Cleveland again by a nose, the White Sox defeated St. Louis 7 to 2 and the Yankees took a 4 to 2 victory from the Athletics.

Upon his arrival here a short time ago, one of the closest followers of the team made the remark that the return of Eddie made the team at least 25 per cent stronger. And this seems to be a universal opinion.

Eddie is not only a catcher such as is seldom seen in a league of this class, but his live and stimulating enthusiasm have a great effect upon the other players. Also, one of the most valuable features about his playing is that of his hitting. Last season he did not batter down any outfield fences nor did he deliver the goods of any balls, but nearly always when he came up to bat at a time when a hit meant a run and a run meant victory, he was able to deliver the goods.

When Eddie was turned back to the Brooklyn National league club this

spring without even a trial, many thought that the experience would discourage him and take away some of his enthusiasm and love of the game. But Eddie is a Scotch-Irishman and he is not made out of that kind of material.

"Yes, it was pretty tough luck," he said a short time after his arrival, "but it only makes me more determined to get in the game and show them that I've got the stuff, and I'm going to do my best this season to show them that they overlooked a bet when they turned down Little Eddie."

And from the way he has started out, he is pretty apt to do just that.
